

UC Merced STEM Education Research

Seminar Series 2022-2023

Fridays 12:00-1:30pm
Conference Room 105

- Promote awareness and disseminate current STEM education research findings
- Identify future directions for education research and practice
- Facilitate networking and new research collaborations between faculty, staff, and students
- Provide a space for undergraduate and graduate students to discover and understand the field of STEM education research and potential career pathways
